Composite
Railing Systems

Bermuda™ Railing

The Beauty of Painted Wood. But Smarter.

Bermuda™ Railing Systems offer unique design opportunities with the clean look of newly painted wood. Our Co-extrusion technology delivers the strength of advanced composites that require little maintenance.

Available Colors

Available in both White and Earthtone, both colors complement Exotics Decking. Depending on your distinctive style, the color combinations are endless.

Sizes Available -

- 36" x 6'
- 36" x 8'
- 42" x 6'
- 42" x 8'

Chameleon™ Railing

Can't decide between Exotics and Bermuda, now you don't have to...

The best of both worlds come together in one exclusive railing system. This system combines an Exotics™ top rail with Bermuda™ balusters and bottom rail, offering limitless design possibilities to complement your Exotic's deck.

Top Rail Designer Colors

Sizes Available -

- 36" x 6'
- 36" x 8'

Charleston™ Railing

An updated classic...

Stylize your deck with Charleston™ Railing and Rail Accessories by Monarch. Whether you prefer the contemporary look of white or the sleek style of black, Charleston will give you a custom look unlike any other. Charleston is engineered using the same co-extrusion technology as our Bermuda line delivering the same strength as advanced composites, with the look of freshly painted wood.

Sizes Available -

- 36" x 6'
- 36" x 8'
- 42" x 6'
- 42" x 8'

All Monarch™ Deck & Railing is covered by a 20-year limited warranty.
